

Hitachi Recognized as ‘A List’ on Climate Change for the Fourth Consecutive Year

Tokyo, February 7, 2025 – Hitachi, Ltd. (TSE: 6501, “Hitachi”) has been selected on the A List, the highest score, in the area of Climate Change by global environmental non-profit CDP, in recognition of Hitachi's leading efforts and highly transparent disclosures related to Climate Change. This is the fourth consecutive year that Hitachi has been selected for the A List in the areas of Climate Change.

Hitachi has established long-term environmental targets in its Hitachi Environmental Innovation 2050. As part of its action on climate change, Hitachi Group has set the targets of achieving carbon neutrality at its business sites (factories and offices) by FY2030 and across its entire value chain by FY2050. Hitachi is steadily advancing activities to achieve decarbonization, as demonstrated by a 74% reduction in CO2 emissions at business sites (factories and offices) in FY2023 compared to FY2010.

Hitachi drives Social Innovation Business to solve customers' and society's challenges and supports people's quality of life with data and technology that fosters a sustainable society.

About CDP

CDP is a global non-profit that runs the world's only independent environmental disclosure system. As the founder of environmental reporting, we believe in transparency and the power of data to drive change. Partnering with leaders in enterprise, capital, policy and science, we surface the information needed to enable Earth-positive decisions. We helped more than 24,800 companies and 1,100 cities, states and regions disclose their environmental impacts in 2024. Financial institutions with more than a quarter of the world's institutional assets use CDP data to help inform investment and lending decisions. Aligned with the ISSB's climate

standard, IFRS S2, as its foundational baseline, CDP integrates best-practice reporting standards and frameworks in one place. Our team is truly global, united by our shared desire to build a world where people, planet and profit are truly balanced. Visit [CDP.net](https://www.cdp.net) or follow us [@CDP](https://twitter.com/CDP) to find out more.

About Hitachi, Ltd.

Hitachi drives Social Innovation Business, creating a sustainable society through the use of data and technology. We solve customers' and society's challenges with Lumada solutions leveraging IT, OT (Operational Technology) and products. Hitachi operates under the 3 business sectors of "Digital Systems & Services" – supporting our customers' digital transformation; "Green Energy & Mobility" – contributing to a decarbonized society through energy and railway systems, and "Connective Industries" – connecting products through digital technology to provide solutions in various industries. Driven by Digital, Green, and Innovation, we aim for growth through co-creation with our customers. The company's revenues as 3 sectors for fiscal year 2023 (ended March 31, 2024) totaled 8,564.3 billion yen, with 573 consolidated subsidiaries and approximately 270,000 employees worldwide.
